

## **Hong Kong Ballet on the recent civic events**

Hong Kong Ballet, like every individual or organisation who calls this beautiful city home, has been plodding through the recent civic events with a heavy heart. During these challenging times, we are committed to bringing our arts, which have the special qualities to provide respite in the face of difficulty, to the people of Hong Kong.

As a cultural institution, while we respect the individual's democracy to express sentiments and their right to peaceful political activities, we also aim to continue delivering our range of staged performances, training for children and community projects for the underserved with utmost professionalism and the highest artistic excellence. The safety and wellness of our staff, audiences and the general public remain our main focus and concern.

香港芭蕾舞團與所有香港市民及團體一樣，以這個美麗的城市為家；面對近期發生的事情，我們的心情都非常沉重。在這艱難的時刻，我們會致力做好本分，把芭蕾舞藝術帶到社會各個階層，希望為大家提供一刻舒緩的機會。

作為一個文化機構，我們除了尊重個人表態的自由及參與和平政治活動的權利，也會以最專業的態度和優秀的藝術水平，提供舞台演出、兒童舞蹈訓練，以及為弱勢社群而設的社區活動等一系列服務。此外，員工、觀眾及公眾的安全和身心健康我們亦最為關注。
